In recent newsletters you may have started to read about Catholic Identity and our Catholic Identity Surveys. So what is Catholic Identity? And what’s with the surveys?

What is Catholic Identity?
Catholic Identity is the signs, symbols, rituals and beliefs that give our school its Catholic nature. It’s Morning Prayer, crosses and symbols in our school. It’s gathering together to celebrate Sacraments and Mass as a community. It is the essence that gives St Theresa’s its Catholic feel. Catholic Identity are the values of the Gospel which we are ** to live.

What is the Catholic Identity Project?
As part of the Catholic Identity Project we look at ways to better understand the Catholic Identity at St Theresa’s and what it is we can do to emphasise St Theresa’s as a Catholic school. As a Catholic school with a wide range of cultures of varying faith, we need to explore how we can maintain a strong Catholic Culture while being in dialogue with the multi-faiths we have in our classrooms.

Do I really have to do a survey?
There are different surveys to complete by a range of groups that make up our school. The Grade 5/6 children, parents and staff will all complete different surveys. The purpose of the surveys is to gather as much data from all aspects of our school community to better understand our Catholic culture. You don’t need to be Catholic, have studied theology or religion to complete the survey. The results from the surveys will provide a starting point for our review year next year. So yes, we do need you to complete the survey.

We need as many parents as possible to complete these surveys either at home or on Thursday. PLEASE RETURN THE SLIP FROM LAST WEEK'S NOTE ON FRIDAY!

We’re available with food, drink and advice if you can help us……

Thursday 9.00am – 11.00 am
Thursday 7.00pm – 8.30pm
