### PRESENTING THE GRADUATING CLASS OF 2018

Today we are farewelling 24 Year 6 students. We wish them well as they continue on life's journey and we congratulate them on a wonderfully successful senior year. As they leave, we encourage them to occasionally stop and remember their years at St Theresa's and know they are all very special and have helped to make St Theresa's the place that it is. Come back to see us and know that you always have friends here.
