MARKET NIGHT! MARKET NIGHT! MARKET NIGHT!

TOMORROW 5.30-8pm (This is a cash only event. No EFTPOS available)

We are almost there and we're getting excited! The school is bursting with wonderful prizes for the spinning wheel and the games arcade. The sausages and hamburgers are ready for the BBQ and the stalls are full of wonderful surprises and great things to buy! **It would be fantastic to see all our families and your friends tomorrow night, ready to spend a few dollars and make our Market Night / Art Show the best ever!**

***All the money raised goes towards equipment for the school and your children, for example the chrome books purchased this year for our Year 2s, were bought with fundraising money.**

To the St Theresa's Community,
I wanted to write a note to say how tremendously well 3/4F did on Wednesday 14th November at their Melbourne Town Hall performance for The Song Room's annual concert.

The class performed two songs, a mash-up of John Lennon's "Imagine" and The Black eyed peas "Where is the love", and John Farnham's "You're The Voice" (with a real bagpipe player!). The audience of hundreds clapped and cheered very enthusiastically. 3/4F have been rehearsing in class for this performance making sure they listen to each other well, sing loudly and beautifully, rap in time, stand with performance posture, and for Felix, Ajla and Lilly - learn to play the whole song on guitar, ukulele and drums! Everyone also looked wonderful on the day wearing PEACE 2018 t-shirts made by Jane, and they even had a giant glitter heart prop made by Judy! A true team effort.

I was so impressed with the hard work that each student put in to learning the difficult song and the team-work they showed leading up to the performance and on the day. They all did St Theresa's proud with their respectful and enthusiastic behaviour on and off the stage, and in the way they engaged with and supported the nine other schools who also performed. It was evident that music and the arts is a universal language with many tapping their toes and singing along for the whole morning!

Congratulations one and all, you should be very proud of yourselves. Tess

Jane has replied : Many thanks to Tess who created the arrangement for the mash-up. The students couldn't have done it without her creativity, enthusiasm and belief in them.
