FEAST DAY of ST THERESE of LISIEUX : Mass & Celebration

Tomorrow Mother of God students are joining us to celebrate our feast day mass at 10am, followed by some fun activities and a free BBQ lunch together. It will be a wonderful celebration of St Theresa and we would love you to join us.

**For a gold coin donation, the children are able to wear casual clothes on this day.
(A reminder that they will need to wear a hat and bring their playlunch)**

The money will be donated to the SAIL (Sudanese Australian Integrated Learning) Program which is a volunteer-run, non-profit, organisation which provides free tutoring and educational support to the Sudanese Australian Community. All families are invited to attend the Mass and if you can spare some extra time, stay and help with the BBQ lunch.

SECONDARY SCHOOL PANEL : Tuesday 22nd Oct. at 11.30

We have invited students from Caroline Chisholm Catholic College, Marian College, St Aloysius College, Simmonds College and Sunshine Secondary College to form a panel and answer questions from our Yr 4, 5 & 6 students about their secondary schooling. We encourage all our parents who are starting to think about secondary schools for their children, to come along for a listen. Staff members from all the schools will also be available to answer any questions you may have. It's a great way of gaining information about 5 secondary schools at the same time.

The gardening club are pleased to announce we received three boxes of free vegetable and herb seedlings today.

Thanks to the school's partnership with Brimbank Council and the Dame Phyllis Frost Women's Centre (Raven Hall women's prison) we have been donated three boxes of seedlings for the second year in a row.

We look forward to planting these shortly and are currently harvesting snow peas, broccoli and a number of other plants.

OSHClub Newsletter

2019

Welcome to Term 4 2019!

I would like to formally introduce myself. I'm Steph the new Coordinator of St Theresa's OSHClub. I have been working at St Theresa's OSHClub since the second last week of Term 3. I've introduced myself to almost all the children and families and I'm very excited to meet and get to know the rest of the children/families in Term 4 and any new faces who join our OSHClub.

I hope everyone had a fantastic break full of laughter and happiness! I'm so excited to be back and cannot wait to see how the end of the year turns out. I have quite a few ideas coming your way, so be prepared :)

Family Tree

I will be redesigning the current big family tree for our room so that everyone can see our lovely families. We are asking if families could please either email us a picture to print or bring one in for us to display on the wall. Of course, fur babies are included too! (email provided below)

REMINDER

It is Term 4, which is a Sun Smart Term. This means our Sun Smart policy is in action. Can you please make sure all children who attend OSHClub are bringing in their hats and sunscreen if they require their own, otherwise we provide sunscreen for all children in OSHClub.

Please note that we are not contactable during school hours- if you need to book or cancel your child please send us an email, send a text message or leave a clear voice mail with your child's name. We can be reached between 7:00-9:00am & 2:45-6:15pm.

I would love to see new people attending OSHClub so more people can join in on all the great activities we have as well as eat some delicious afternoon tea that I make homemade every single day. By joining OSHClub you have the opportunity to meet some amazing new friends or spend time with some of your friends from school who already attend OSHClub.
