Feast of the Sacred Heart Mass

On Friday the 23rd of June at 11:30am we have a very important Mass called the Feast of the Sacred Heart. The reason why we are having this gathering at the church is because we would like to remember the great love that Jesus has for everyone. And so, to be like Jesus we are going to be collecting some warm items for the people in need. Some of these things may include: hats, gloves, scarves, jackets and blankets. We would also be grateful for non-perishable food donations. It would be very helpful if you could start collecting now because we don't have much time. The St Theresa's Social Justice Team would be very grateful of your donations so they can pass them onto the St. Vincent de Paul Society. They will then distribute them to the needy people in our area. Thank you from
The Social Justice Team

Cross Country Report From Laurie

The largest ever St Theresa's Cross Country team competed at More Park on Friday, May 5. Thirty five students from grades 2 to 6 ran a very challenging 2 km or 3 km course against the 16 schools in the Sunshine District. The

Cross Country is definitely the most demanding event in the phys ed program, so completing the course was a great achievement for each child.

Seven children did particularly well and progressed to the next stage, competing in the Keilor Division on Tuesday this week against place getters from other Districts at Brimbank Park.

On a cold, rainy and windy morning Emily Nguyen, Sofia Andreula, Rory McLeod, Angelina Perez, Massimo Serra, Eliza Reinberger and Gemma Lehane all ran very well against high quality opposition. Gemma was probably the only grade 2 from any school there! Emily won the 10 year old girls event and Sophia was runner-up in the 12 year old girls. Both will compete in the Western Region Cross Country on June 22.

ALBION TENNIS CLUB

SOCIAL & EMOTIONAL SKILL OF THE MONTH USING YOUR STRENGTHS

When faced with a problem or a difficult task, always remember your strengths which are things you are good at and enjoy.

Talk to your children about the strengths that you see in them eg. gratitude, forgiveness, love, humour, modesty, hope, persistence, creativity, curiosity, enthusiasm, bravery, honesty, kindness.... and discuss how using your strengths helps to build positive emotion and social connectedness.
