Be Happy, Be Safe, Be Caring, Be Ready To Learn
DO SMALL THINGS WELL

Dear Parents,

Next Wednesday the 28th of June, **Parent / Teacher Interviews** will be held from 1.30 -7.30pm. If you haven't booked a place yet please do so asap. **STUDENTS WILL BE DISMISSED AT 1PM ON THIS DAY.** (The school will mind students until 3.15 if necessary). Reports will be sent home tomorrow and I wish to thank all of the teachers for their efforts to complete the reports for you and I wish to especially acknowledge the work of Mary Madden for her technical assistance. A letter giving advice about reading your child's report will be sent home with the report. I wish to thank Mr John Kremers our Leader of Learning and Teaching for conducting two information sessions about student progress reports earlier this week.

Feast of the Sacred Heart Mass

Tomorrow, Friday the 23rd of June at 11:30am we have a very important Mass called the Feast of the Sacred Heart. The reason why we are having this gathering at the church is because we would like to remember the great love that Jesus has for everyone. And so, to be like Jesus we are going to be collecting some warm items for the people in need. Some of these things may include: hats, gloves, scarves, jackets and blankets. We would also be grateful for non-perishable food donations. It would be very helpful if you could start collecting now because we don't have much time. The St Theresa's Social Justice Team would be very grateful of your donations so they can pass them onto the St. Vincent de Paul Society. They will then distribute them to the needy people in our area. Thank you from
The Social Justice Team

Geologist

Last week the Year 3/4 classes skyped a geologist to assist their understandings about rocks which is the focus of their inquiry unit. The geologist spoke to the children about his work and assisted their understandings with all aspects of rocks.

The children were also able to ask a range of questions which included....

What company do you work for and what is your role?

What has been the most interesting part of your job?

Have you ever seen a diamond gold or silver before?

How old were you when you started to collected rocks?

What inspired you to become a geologist?

Did you always want to be a geologist or did you want to be something else when you were a child?

Thanks to Brigid for organising this special learning experience!

FUNDRAISING NEWS

So far this year the Fundraising committee has raised over \$6000.00. We wish to thank this hardworking group of mums for all of their work. Thank you to everyone who has supported their efforts so far

SCHOOL DISCO

Thank you to everyone who was involved with organising and conducting this event for the children. The children had a wonderful time and the fundraising committee raised \$2100.00 to go towards our school grounds improvement plan.

Next week we finish Term 2. The year has certainly gone very quickly. The highlight for our school this Term was the completion of Christian Initiation for many of our Grade 6 students when they received the Sacrament of Confirmation. On Tuesday evening, many of our Grade 3 students began their final preparation before receiving the Sacrament of the Eucharist next Term. The children and their parents attended a formation evening organised by Doriana Cooper and I wish to thank her and the other Grade 3 teachers, Bridget, Patrick and Kathryn for their efforts.

We will finish accepting enrolment applications next week so I urge anyone who has a child ready to start school next year, who hasn't completed an enrolment application form, to do so before the end of Term. I look forward to seeing many of you next week on Parent /Teacher Interview day.

Have a good weekend.

All the best
Robert
